

**Re: Matrville Christmas Carols 2011**

*Dear Madam / Sir,*

*We write to ask your company's support in staging Christmas Carols in Barwon Park again in 2011. The function is scheduled for Saturday 10<sup>th</sup> December.*

*Last year's event was a great success. The attendance of over 9000+ was beyond expectations, with positive feedback from all quarters. There was obvious community enthusiasm for the event and we hope this year to build upon this success and draw interest and support from a wider base of our local businesses.*

*This event is a regular feature on Randwick City's Christmas calendar and they are a significant contributor.*

*The Matrville Carols is now the biggest Christmas Carols event in the Eastern suburbs.*

*We request a cash donation from \$100.00 upwards,*

*All sponsorships will be acknowledged on any promotional material and from the stage on the day of the event. All donations above \$250.00 will be displayed on the large LED screen on stage giving you, the sponsor, exposure to an audience of over 10,000 local residents and businesses.*

*We will telephone in a few days to know if you are willing to participate with us in this meaningful community initiative.*

*Yours sincerely*

*John Perez
